I the undersigned certify under penalty of perjury under the laws of the State of Washington that the following is true and correct:

I am the property owner or owner's authorized agent for the above referenced property. I have full authority to seek approval for and undertake the work requested herein and that the information on this application is true and correct. To the best of my knowledge, any critical areas on the development proposal site have not been illegally altered, and the property owner and/or applicant have not previously been found in violation of critical areas regulations for any property in King County. If there have been any violations, I certify that such violations have been cured to the satisfaction of King County. I will comply with any permit conditions and, prior to undertaking the approved work and obtain any necessary state, federal or local permits. I acknowledge that permit approval does not authorize the violation of local, state or federal laws and regulations, specifically including the Endangered Species Act at 16 U.S.C. § 1531-1543.

As applicant I accept financial responsibility for all fees and correspondence associated with this permit or approval.
